

# **NIPER OBSERVES 'WORLD ENVIRONMENT DAY'**

## **5<sup>TH</sup> June, 2017**

The National Institute of Pharmaceutical Education and Research (NIPER) is an 'Institute of National Importance' enacted by the act of Parliament (NIPER Act 1998) under the aegis of Ministry of Chemicals & Fertilizers, Department of Pharmaceuticals, Government of India.

The Institute observed World Environment Day today by planting trees in various parts of the Campus. The Director, Dean, Registrar, faculty, students and staff of NIPER planted various trees in different locations of the Institute. Director in his speech said that “we all will make NIPER no plastic bag zone”. All the NIPERites are requested to give their maximum contribution for this work. He said though NIPER has many medicinal plants, but we will continue with this activity to increase the importance of conserving the environment. He told about some of the objectives of World Environment Day i.e to aware the common public about the environmental issues, to encourage people to make their nearby surroundings safe and clean to enjoy safer, cleaner and more prosperous future. He said that we all should take pledge that to make environment safe, we will not celebrate this day specially on 5<sup>th</sup> June every year but will celebrate every day as Environment Day by planting trees.
