(Signatures of the Tenderer)

GENERAL CONDITIONS OF CONTRACT

1. **INSPECTION OF SITE**

The Tenderers shall contact the Engineer- in- charge for the purpose of inspection of site and relevant documents, other than those sent herewith, who will give reasonable facilities for this purpose, the Tenderers shall also make themselves familiar with the working conditions, accessibility to site, availability of materials and other conditions which effect the entire completion of work under this contract. The contractor should also satisfy himself as to the nature of the existing means of transportations and communications. The Tenderers shall deemed to have visited the site and made themselves familiar with the working conditions before submitting the tender irrespective of the fact whether they inspect the site or not.

1.2 Tenderers are required to carefully study and carry out the site inspection of each installation/ buildings etc to apprise themselves of all the relevant factors. The requirement of staff indicated in the appendices is minimum. Any additional requirement of manpower to attend emergencies will have to be arranged by the contractor at his own cost.

2. **Performance Guarantee**

- (i) The contractor shall submit an irrevocable Performance Guarantee of 5% (Five percent) of the tendered amount in addition to other deposits mentioned elsewhere in the contract for his proper performance of the contract agreement, (not withstanding and/or without prejudice to any other provisions in the contract) within 15 days from the date of issue of letter of acceptance. This guarantee shall be in the form of Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank or the State Bank of India in accordance with the form annexed hereto. In case a fixed deposit receipt of any Bank is furnished by the contractor payment against the said fixed deposit receipt of any Bank is furnished by the contractor to the NIPER as part of the performance guarantee and the Bank is unable to make payment against the said fixed deposit receipt, the loss caused thereby shall fall on the contractor and the contractor shall forthwith on demand furnish additional security to the NIPER to make good the deficit .
- (ii) The Performance Guarantee shall be initially valid up to the stipulated date of completion plus 60 days beyond that. In case the time for completion of work gets enlarged, the contractor shall get the validity of Performance Guarantee extended to cover such enlarged time for completion of work. After recording of the completion certificate for the work by the competent authority, the performance guarantee shall be returned to the contractor, without any interest.
- (iii) The Engineer-in-Charge shall not make a claim under the performance guarantee except for amounts to which the NIPER is entitled under the contract (not withstanding and/or without prejudice to any other provisions in the contract agreement) in the event of :
 - (a) Failure by the contractor to extend the validity of the Performance Guarantee as described herein above, in which event the Engineer-in-Charge may claim the full amount of the Performance Guarantee.
 - (b) Failure by the contractor to pay NIPER any amount due, either as agreed by the contractor or determined under any of the Clauses/Conditions of the agreement, within 30 days of the service of notice to this effect by Engineer-in-Charge.

(iv) In the event of the contract being determined or rescinded under provision of any of the Clause/ Condition of the agreement, the performance guarantee shall stand forfeited in full and shall be absolutely at the disposal of the NIPER.

3. SECURITY DEPOSIT

The person/persons whose tender(s) may be accepted (hereinafter called the contractor) shall permit NIPER at the time of making any payment to him for work done under the contract to deduct a sum at the rate of 10% of the gross amount of the bill shall be deducted from each RA bill of the contractor till Security Deposit of 5% of the tendered value of the work. The earnest money that is deposited at the time of tender shall be treated as part of the Security Deposit. Such deductions will be made and held by NIPER by way of Security Deposit unless he/they has/have deposited the amount of Security at the rate mentioned above in cash or in the form of Government Securities or fixed deposit receipts. In case a fixed deposit receipt of any Bank is furnished by the contractor to the NIPER as part of the security deposit and the Bank is unable to make payment against the said fixed deposit receipt, the loss caused thereby shall fall on the contractor and the contractor shall forthwith on demand furnish additional security to the NIPER to make good the deficit.

All compensations or the other sums of money payable by the contractor under the terms of this contract may be deducted from, or paid by the sale of a sufficient part of his security deposit or from the interest arising there from, or from any sums which may be due to or may become due to the contractor by NIPER on any account whatsoever and in the event of his Security Deposit being reduced by reason of any such deductions or sale as aforesaid, the contractor shall within 10 days make good in cash or fixed deposit receipt tendered by the State Bank of India or by Scheduled Banks or Government Securities (if deposited for more than 12 months) endorsed in favour of the DIRECTOR ,NIPER , any sum or sums which may have been deducted from, or raised by sale of his security deposit or any part thereof. The security deposit shall be collected from the running bills and the final bill of the contractor at the rates mentioned above.

4. TIME AND EXTENSION

Time allowed for carrying out the works as entered in at the tender shall be 01 year which may be extended suitable as per requirement on mutual consent.

No additional payments will be made to the contractor for any multiple shift work or other incentive methods contemplated by him in his work schedule even though the time schedule is approved by the Engineer-in-Charge.

The maximum period of contract should be of three years (one year award of contract and further two extensions as admissible as per current practice).

5. EMPLOYMENT OF PERSONNEL

The contractor shall employ only Indian Nationals as his representatives, servants and workmen after verifying their antecedents and loyalty. He shall ensure that no personnel of doubtful antecedents and nationality is in any way, associated with the works. If for reasons of technical collaboration or other consideration, the employment of a foreign national is un-avoidable, the contractor shall furnish full particulars to this effect to the Accepting Officer at the time of submission of tender. As a proof that the contractor has employed only Indian Nationals, he shall render a certificate to Engineer-in-Charge in one month from the date of the acceptance of the Tenderer to this effect. In case the Engineering-in-Charge, desires contractor will have the police verification of the personnel employed by him. The Engineer-in-Charge shall have full power and without giving any reason to the contractor, immediately cease to employ in connection with this contract any representative, agent, servant and workmen and employees whose continued employment is in his opinion undesirable. The contractor shall not be allowed

any compensation on this account. The entire work lies in the restricted area. However the security of men, materials and work is completely the responsibility of the contractor.

Numbers of worker mentioned in the tender can be increased or decreased as per requirement of institute. Agency is required to provide additional/ extra manpower as per requirements of NIPER in particular category (skilled/ un-skilled) and payment shall be made to the Agency according to the category of manpower deployed.

6. **ARBITRATION & Jurisdiction**

All disputes, differences or questions arising out of or in connection with this agreement between the contractor and the NIPER (except those disputes/ differences or questions where the decision of the particular authority is stated to be as final) shall be referred to the "District Court, Mohali"; for conciliation and or Sole Arbitration of a person to be appointed by Director, NIPER whose decision shall be final and binding on both the parties. If the appointed arbitrator resigns before publishing the award, the above mentioned appointing authority shall appoint another arbitrator.

7. **COURT JURISDICTION**

The contract shall be deemed to have been entered into at District Court, Mohali and all causes of actions in relation to the contract will thus be deemed to have arisen only within the jurisdiction of the District Court, Mohali.

8. **COOPERATION WITH OTHER AGENCIES**

The contractor shall permit free access and generally offer a reasonable facilities to other agencies or departmental workers engaged by NIPER to carry out other works, if any, under separate arrangements. The contractor's price shall be deemed to cater for all the above contingencies and nothing extra shall be admissible.

9. **LABOUR LAWS**

The contractor shall be required to comply with all the labour laws and regulations contained in various prevalent act/ regulations/ instructions issued by Central/ State Govt. He shall also be responsible for the future rules and regulations, which may be enacted during the currency of the project. His rates shall be deemed to have taken into account the above.

10. **CARE OF WORKS**

From the commencement to the completion of the works the contractor shall take full responsibility for the care thereof and of all temporary works and in case any damage loss or injury shall happen to the works or to any part thereof or to any part temporary works due to lack of precautions/ negligence on part of contractor, the same shall be made good at their own cost.

11. **GOVERNING LAWS**

The contract shall be governed by and constructed according to the laws in force in India.

Contractor shall obtain all registration(s)/permission(s)/license(s) etc. which are/ may be required under any labour or other legislation(s) for providing the services. Contractor has to comply with and obtain necessary permissions/ license/ authorizations under the Central, State and Local Authorities and obtain all required permissions/ licenses for carrying out its obligations.

12. **SALES TAX AND WORKS TEST**

The rates quoted by the Contractor shall be deemed to be inclusive of all taxes, carriage, Octroi duties and royalties etc and nothing extra shall be payable on this account.

13. INCOME TAX

Income tax deductions shall be made from all payments made to the contractor as per rules and regulations in force in accordance with the Income Tax Act prevailing from time to time.

14. PAYMENT

13.1 Payment will be released on the basis of running bill/ final bill put up by the Agency on the basis of actual work done. Payment will be allowed once a month only. "Engineer-in-Charge mean the Executive Engineer or his authorized Engineer or any other Engineer authorized by the Director, NIPER

13.2 The Contractor will get the payment on monthly basis subject to check and approval of Engineer-in-Charge or his representative after submission of bill by the contractor. All the statutory records related to services such as EPF, ESI deposits of works working under the contractor needs to be enclosed, which shall be duly verified by NIPER. The Agency shall submit the bill for the services rendered by them for every month after fulfilling the following conditions :-

- a) The contractor shall open a bank account in the bank branch located in the Institute and shall make the payment of wages to the persons deployed by him through aforesaid bank. The employees of the contractor will also open their individual accounts in the same branch for the purpose of the disbursement of salary immediately. The obligation is imposed on the contractor to ensure that the contractor is fulfilling his commitment towards his employees as deployed under various labour laws.
- b) The contractor will calculate and pay EPF and ESI on the amount of actual wages disbursed to his employees as per rules and submit the details as indicated earlier with his bill for verification by the NIPER Accounts Section.
- c) Revision of Wages of Manpower. Revision of minimum wages will be effective based on the wage notification issued by Deputy Chief Labour Commissioner (Central), Ministry of Labour and Employment for category under serial No. VIII-A (Zone B) from time to time. Accordingly Agency shall have to submit documentary evidence from time to time as mentioned above for purpose of revision in minimum wages to NIPER.

15. AGREEMENT

The contractor is required to enter into an agreement with NIPER after acceptance of his tender under the terms and conditions stipulated in the above tender or any other conditions which may have been agreed mutually during the discussion before award of work.

16. LABOUR WAGES

15.1 Contractor shall not pay wages lower than minimum wages for labours as fixed by the Govt of India/ Punjab Govt/ U.T. whichever is higher. The contractor shall have no claim whatsoever, if on account of local factor and/ or regulations he is required to pay the wages in excess of minimum wages as described above during the execution of work. **The estimated cost of work has been worked on the basis of minimum wages as per office order of Dy. Chief Labour Commissioner (Central), Ministry of Labour and Employment, Govt of India, effective upto 31 Mar 2017 including component of amount over and above the minimum salary drawn by the existing workers. The contractors has to quote only service charges in percentage (%age) based on the tentative wage bill per month. However amount of actual service charges to be paid to the contractor shall be worked out based on the disbursement of actual wages including employer's contribution towards EPF and ESI of the disbursement of actual wages including**

employer's contribution towards EPF and ESI of the workers employed at NIPER site by the contractor. Deployment of manpower will be as per qualification, experience and requirements to the entire satisfaction of NIPER.

15.2 Minimum 26 days attendance of workers is required in a month to pay minimum wages, which shall be calculated and paid invariably for average of 26 days in a month during the year after taking weekly off 04/05 days.

15.3 Under normal circumstances, Sundays will be kept as off days for General shift workers until unless specified for change by Engineer-in-Charge, NIPER. Shift duty workers shall get one weekly off as per rotation in a week. Total 8 holidays per year which include 03 Nos National Holidays, shall be applicable to outsourced workers until unless specified for any change by Engineer-in-Charge, NIPER. List of holidays shall be specified by NIPER from time to time

15.4 Rates quoted by the Agency will include cost of extra payments of any on account of overtime to working at odd hours in emergency.

15.5 The contractor manpower may have to work extra for two hours in addition to normal working hours, if required for emergency works at site. The payment for additional hours of workers shall be inclusive in the service charges to be quoted by contractor

17. DAMAGES

The contractor shall at its own expenses make good any loss or damages suffered by the Institute as a result of the acts of commission or omission, negligently or otherwise of its personnel while providing the said services at any time of the premises of the institute or otherwise.

18. INDEMNIFY

18.1 The contractor shall at all time indemnify and keep indemnified that Institute against any claim on account of disability/ death of any of its personnel caused while providing the services within the premises of the Institute which may be made under the workmen's Compensation Act, 1923 or any other acts or any other statutory modifications hereof or otherwise for or in respect of any claim for damage or compensation payable in consequence of any accident or injury sustained by the working or their personnel of the contractor or in respect of any claim, damage or compensation under labour laws or other laws or rules made there under by any person whether in the employment of the contractor or not, who provide or provides the service at the site or any other premises of the Institute shall be as provided herein before.

18.2 The contractor shall at all times indemnify and keep indemnified the institute against any claim by any third party or for any other claims whatsoever for any acts of commission or institute's premises or before and after that.

18.3 The contractor will discharge all the legal obligations of its employees in respect of their wages and other service conditions and shall also comply with all the rules and regulations and provisions of law in force that may be applicable to them from time to time viz. statutory obligations under the Contract Labour (Regulation & Abolition) Act, 1970; Minimum Wages Act 1948; Workmen's Compensation Act 1923; EPF & MP Act 1952; ESI Act, 1948, Industrial Disputes Act, 1947, etc. The contracting Agency will indemnify and keep indemnified the NIPER, Mohali from any claim, loss or damages that may be caused to the institute on account of the contracting agency's failure to comply with their obligations under various laws towards their staff/ employees employed by them.

(Signatures of the Tenderer)

SPECIAL CONDITIONS OF CONTRACT

1. The Special Conditions of the contract shall be read in conjunction with conditions of contract. Any provision contained in these Special Conditions, if at variance with the corresponding provisions in conditions of contract shall take precedence there over.
2. The persons deputed to promote the service as mentioned here, shall be the employees of the contractor only and not of the Institute. The contractor shall be liable to make payments to its employees towards their monthly wages/ salaries and other statutory dues like Employees Provident Fund, Employees State Insurance, minimum wages, bonus, gratuity etc. Institute shall not be liable for any obligations/ responsibilities, contractual, legal or otherwise towards the contractor's employees/ agents directly and/ or indirectly, in any manner whatsoever.
3. **The maintenance and operation staff shall individually be in possession of a temporary identity card/ pass issued by the contractor/ NIPER. The identify card or pass shall be examined by the security staff at the time of entry and exit from the campus and also at any time or number of times inside the campus. Cost of passes including photo for this purpose shall be borne by the contractor.**
4. The maintenance and operation staff shall strictly observe the instructions pertaining to fire precautions prevailing within the NIPER complex.
5. In case the contractor fails to undertake the maintenance/ operation on any particular day or part thereof, he shall be liable to pay compensation at double the rate of that day from his quoted rate on pro rata basis. The above mentioned compensation shall, however, not be imposed in case the maintenance/ operation is interrupted due to unavoidable circumstances or due to any major breakdown being beyond contractor's control and the Engineer-in-Charge certifies the same. However, the contractor shall not have any claim over the institute on this account.
6. The contractor shall be fully responsible for making good any damage/ loss due to employment of inexperienced staff or due to negligence in workmanship. The same shall be made good by the contractor as per the existing specifications without any extra cost to the institute. In the event of contractor not fully complying with the above provisions to the satisfaction of Engineer-in-Charge, the same may be provided by the institute for which the expenses incurred will be recovered from the contractor. The decision of the Director in the regard shall be final, conclusive and binding.
7. The contractor shall be responsible for the attendance of his staff in the institute. In case of any staff of the Agency remains absent or granted leave by them, they will arrange his/ her substitute otherwise a penalty of Rs. 100/- per day per person will be imposed on him and the penalty so imposed will be deducted from the bill of the Agency apart from deduction of pay of the employees for the days of absence.\
8. All spares/ materials required for operation and maintenance of installations and day to day repair/ maintenance shall be procured by NIPER and provided to the contractor free for fixing. List of all such spares/ materials shall be decided in consultation with the contractor before handing over the installations for operation and maintenance.

9. All precautions as per CPWD safety code for the safety of workers and necessary health and sanitary arrangements for them will be taken by the contractor.
10. Water and Electricity required for operation/ maintenance shall be supplied free of cost.
11. Agency shall not sub let the contract to any other concern/ individual and sub letting of contract is not permissible.
12. The contractor shall operate and provide services to the Institute at its various sites as and when required.
13. The regularity of the performance of the service will be essence and shall form a central factor. The contractor takes all possible steps to ensure to maintain its performance as determined by the institute from time to time.
14. The assessment made by the Engineer-in-Charge including number of personnel of various descriptions as required to provide/ give the required quality of service shall be final and acceptable by and binding upon the contractor.
15. If the institute notices that the personnel of the contractor has/ have been negligent, careless in rendering the said services, the same shall be communicated immediately to the contractor who will take corrective steps immediately to avoid recurrence of such incidents and reports to the institute.
16. If any of the personnel of the contractor found indulge in theft, negligence of any illegal/ irregular activities, the contractor shall take appropriate action against its erring personnel and intimate accordingly to the institute or itself can take action in accordance with law.
17. The contractor will have to produce the register of wages or the register of wages-cum-muster roll of the preceding month along with the bill to be submitted on the 10th day of every calendar month. The contractor shall ensure that the payments to his employees is made in the presence of an authorized representative of the Institute.
18. The manpower to be provided by the Agency remain the employee of the Agency for all intends and purposes and the contractor/ the Agency shall alone be liable for dispute amongst their employees and the Agency, which may arise in any court of law.

Form of Performance Security (Guarantee) Bank Guarantee Bond

In consideration of National Institute of Pharmaceutical Education & Research (hereinafter called "NIPER") having offered to accept the terms and conditions of the proposed agreement between.....and (hereinafter called "the said Contractor(s)") for the work..... (hereinafter called "the said agreement") having agreed to production of an irrevocable Bank Guarantee for Rs. (Rupees only) as a security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We, (hereinafter referred to as "the Bank") hereby undertake to pay to NIPER an amount not exceeding Rs. (Rupees..... Only) on demand by the NIPER.

2. We,(indicate the name of the Bank) do hereby undertake to pay the amounts due and payable under this guarantee without any demure, merely on a demand from the NIPER stating that the amount claimed as required to meet the recoveries due or likely to be due from the said contractor(s). Any such demand made on the bank shall be conclusive as regards the amount due and payable by the bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. (Rupeesonly)

3. We, the said bank further undertake to pay NIPER any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under and the Contractor(s) shall have no claim against us for making such payment.

4. We, (indicate the name of the Bank) further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said agreement and that it shall continue to be enforceable till all the dues of NIPER under or by virtue of the said agreement have been fully paid and its claims satisfied or discharged or till Engineer-in- Charge on behalf of the NIPER certified that the terms and conditions of the said agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this guarantee.

5. We, (indicate the name of the Bank) further agree with NIPER that NIPER have the fullest liberty without our consent and without affecting in any manner our obligation hereunder to vary any of the terms and conditions of the said

agreement or to extend time of performance by the said Contractor(s) from time to time or to postpone for any time or from time to time any of the powers exercisable by NIPER against the said contractor(s) and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said Contractor(s) or for any forbearance, act of omission on the part of NIPER or any indulgence by NIPER to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor(s).

7. We, (indicate the name of the Bank) lastly undertake not to revoke this guarantee except with the previous consent of NIPER in writing.

8. This guarantee shall be valid up tounless extended on demand by NIPER. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs. (Rupees) and unless a claim in writing is lodged with us within six months of the date of expiry or the extended date of expiry of this guarantee all our liabilities under this guarantee shall stand discharged.
